 Riyadh, Saudi Arabia

## OBJECTIVE

---

Interior designer with a diploma in interior design, seeking to apply my creative and artistic skills in creating inspiring and functional interior spaces. I aspire to join a professional team in the field of interior design, where I can utilize my knowledge in space planning, color selection, and various design software to transform client ideas into tangible realities. My goal is to continuously develop my skills and contribute to the success of projects by designing environments that meet users' needs and reflect their personal tastes.

## EDUCATION

---

### Sheffield, Riyadh

Diploma of Higher Education, Interior Design
