Profile

A highly proficient Spare Parts Warehouse Keeper with 6 years of experience, specializing in comprehensive supply chain management and SAP systems. I seek to leverage my skills in organization and inventory optimization to support and drive company growth

Education

Institute of Public Administration
Diploma Of Business Banking

2016 – 2019
Riyadh, Saudi Arabia

Work Experience

Al-Kifah Holding, Store keeper

Mar 2022 – present
Dammam, Saudi Arabia

Spearheaded the comprehensive management of spare parts inventory, from receiving and strategic storage to issuance, ensuring high inventory record accuracy and executed all material movement tracking (inbound and outbound) using the SAP system, which resulted in improving order fulfillment speed and led physical and cyclical inventory count operations, and enforced effective warehouse organization to reduce item search time and oversaw all importation processes to guarantee timely material receipt and strict adherence to specification requirements

Golden Sent Company, Logistics Executive and Storekeeper

Jun 2019 – Feb 2022
Dammam, Saudi Arabia

Executed critical e-commerce logistics operations utilizing specialized systems including Magento, Infor, and Aramex Logistics and ERP systems, managed inventory and logistics coordination, actively engaging in warehouse system optimization to successfully increase operational efficiency, ensured high inventory accuracy and effective handling in a fast-paced work environment, contributing to a reduction in shipping errors

Alinma Bank, Customer service

Jan 2019 – Mar 2019
Dammam, Saudi Arabia

Training at Alinma Bank
Departments: (customer service - teller - marketing tour)
Systems:(T24-ICAS)

Skills
