PERSONAL SUMMARY I am an enthusiastic, hardworking and conscientious person who works well both as part of a team and individually.

I am a good timekeeper, reliable and honest. I am hard working and have very good communication skills either face to face or over the phone and work to a very high level of accuracy and attention to detail. I have a very good understanding of confidentiality and I am good at remaining calm whilst working under pressure and I am willing to undergo any training that is required of me. I also like reading, watching documentaries, walking and listen to music.
