ABOUT ME

A senior interior designer is responsible for overseeing the development and implementation of interior design projects from concept to completion. This role involves collaborating with clients to understand their needs, creating design concepts, selecting materials and furnishings, and managing project timelines and budgets. Senior interior designers also coordinate with architects, contractors, and other professionals to ensure the design is executed as planned.

EDUCATION

Interior Designer

Institute for Development of Science and Occupations

Technical Baccalaureate Degree in Interior Design, 2009 - 2012

Interior Designer

Lebanese International University

Bachelor's Degree in Interior Design , 2013 - 2017

WORK EXPERIENCE

Senior Interior Designer (Freelance) West Beqaa, JAN2023 - Present

Develop and implement new design concepts for homes, apartments, stores, and restaurants.

- Oversee projects from concept to execution, ensuring all client needs are met.
- Select materials, paints, lighting, appliances, and furniture.
- Coordinate with contractors and suppliers to ensure timely delivery and installation.
- Maintain strong client relationships through effective communication and project updates.
- Manage project timelines and budgets, ensuring projects are completed on time and within budget.

Sales Representative & Interior Designer Yassin Ceramic, 2017 - 2020

Follow up with customers to meet their needs and provide excellent service.

- Design kitchens, apartments, and bathrooms tailored to client specifications.
- Assist clients in selecting materials and finishes that align with their vision and budget.
- Collaborate with the sales team to drive sales and achieve targets.
- Conduct site visits to ensure the accurate implementation of designs.

Second Designer (Summer Training) Sharanik Engineering and Contracting, 2016 - 2017

- Develop plans for villas and gardens from initial concept to final design.
- Supervise Bill of Quantities (BOQ) works and ensure accuracy.
- Create and manage contracts between clients and contractors.
- Oversee project execution and ensure adherence to design specifications.
