Portfolio

PRFOLE

Enthusiastic and creative interior design graduate seeking to improve skills and gain hands-on experience in design. With a strong educational foundation in interior design principles. Known for my keen attention to detail, excellent communication skills, and ability to collaborate effectively within a team. Eager to contribute fresh ideas and support the execution of innovative design projects, while growing professionally in the interior design industry.

EDUCATION

Bachelor of Science in Interior Design.

2019 – 2024

Jubail Industrial College, KSA

EXPERIENCE

Freelance Interior Designer

May2025 – Present

- Designed 2D and 3D interior layouts for residential projects.
- Created mood boards and inspiration boards to define materials, colors, and furniture
- Prepared professional presentations to communicate design concepts to clients
- Provided online supervision to ensure design execution matched project plans.
- Managed time and budgets effectively to deliver high-quality results.

Interior Architect

Feb2025 – Sep2025

Eastern Ceilings, KSA

- Contributed to the design and coordination of interior spaces for residential projects.
- Prepared shop drawings and detailed construction documents using design software.
- Developed 3D visualizations to communicate design concepts clearly.
- Selected materials, furniture, and lighting in alignment with client requirements and quality standards.
- Attended client meetings to present design proposals and discuss revisions.
- Designed visual content and social media posts for special occasions and events.

Internship at Saudi Aramco as Interior Designer

Sep2024 – Dec2024

Office Planning, Design & Projects Division, Office Services Department

- Reviewed and updated 2D drawings and layouts to meet project requirements and goals.
- Worked on architectural facade designs, interior layouts, and 3D renderings to deliver creative and functional solutions.
- Researched and engaged with vendors to source materials and furnishings.
- Oversaw the preparation and finalization of design packages and ensured accuracy.
- Participated in weekly meetings and cultural events to gain insights into industry trends and innovative ideas.
- Strengthened abilities in communication, project management, and material procurement.
