

Badryah Basahi

INTERIOR DESIGN

Al-Khobar | 0557345621 | badore871@gmail.com

Objective

- A recent Interior Design graduate with a strong passion for creativity and innovation, seeking a position to apply my skills in spatial planning, interior design, and 3D visualization. I am eager to contribute to the organization's vision by delivering inspiring and functional design solutions that enhance user experience and bring spaces to life.

Education

- Jazan University
- Bachelor of Interior Design
- Graduation Year 2024

Experience

I gained practical experience during my internship at Abdulrahman Mubarak Company from July 9, 2023, to August 9, 2023, where I worked in the planning and design department, focusing on modifying and adjusting floor plans. I also developed hands-on skills in client communication and collaboration, while applying the knowledge and skills I acquired during my academic studies to real-world projects, enhancing design solutions and boosting my technical proficiency.

Academic Projects

[Heritage Museum Design],[Capstone Project]

Designed a heritage museum project aligned with Saudi Arabia's Vision 2030, focusing on cultural preservation and showcasing the country's rich history.

Utilized AutoCAD for detailed floor planning, SketchUp for 3D modeling, and Photoshop for visual presentation and enhancement.

Applied spatial planning principles to create an immersive visitor experience that celebrates Saudi heritage while maintaining functional and aesthetic elements.

Skills

Technical Skills

- Designing and modifying floor plans, including editing, adding, and deleting elements.
- Creating and refining 3D spaces, with strong skills in rendering and visualization.
- Enhancing designs and presentations using Photoshop.

Soft Skills

- Excellent communication skills
- problem-solving
- Strong analytical and critical thinking abilities
- Effective teamwork and collaboration skills
- Proficient in time management and task prioritization

Languages

- Arabic
- English
