CAREER OBJECTIVE

A highly motivated Supply Chain and Logistic seeking a challenging role to expand my skills and contribute to organizational growth. I have solid experience in import operations, procurement management, vendor negotiation, customs clearance, and inventory control. I am committed to teamwork, continuous learning, and achieving operational excellence..

WORK EXPERIENCE

Supply Chain Supervisor

Deeper Trading and Service Co. Ltd – Sudan

(2022 – 2023)

- Managed the end-to-end supply chain process from procurement to product delivery.
- Handled purchase orders, supplier contracts, and compliance with company policies.
- Negotiated with local and global vendors to secure the best pricing and supply terms.
- Executed vendor agreements and ensured consistent material supply.
- Led inventory control, demand planning, and logistics optimization to improve operations.
- Supervised customs clearance procedures until goods were received in the warehouse.

Import Operations Executive

Private Transportation Logistic and Handling – Sudan

(2019 – 2021)

- Collected detailed shipment information from clients.
 - Requested and compared quotations from different freight agents.
 - Negotiated with agents to minimize logistics costs.
 - Provided clients with real-time shipment updates until job completion.
 - Closed shipment files by finalizing job costing and issuing invoices.
-
