PROFESSIONAL SUMMARY

Supply Chain Specialist with 5+ years of experience in global logistics, import/export operations, and procurement. Skilled in managing end-to-end supply chain processes, distribution channels, and vendor relations. Experienced in trade compliance (SABER, SFDA) to ensure efficient operations and timely delivery.

CORE COMPETENCIES

- Global Import & Export Operations
 - Trade Compliance & Documentation
 - Freight Forwarder & Vendor Management
 - Dispatch & Delivery Planning
 - Private Label & Order Fulfilment
 - Supply Chain Cost Optimization
 - Operational Issue Resolution
 - Cross-Functional Leadership
-

PROFESSIONAL EXPERIENCE

Export Manager | Nakhlah Food Industries Company - Sept 2021 – Present

- Execute end-to-end global logistics, managing the full shipment lifecycle from origin to final delivery across international markets.
- Manage export-related supply chain and procurement, sourcing raw materials and packaging globally while negotiating international freight terms to optimize cost efficiency.
- Lead cross-functional order fulfilment planning, aligning production, quality, and warehouse operations to ensure timely execution of export orders.
- Ensure compliance with Saudi Customs, SABER, and SFDA by preparing and verifying all shipping documentation (CI, PL, COO, BL).
- Manage time-critical private label projects, coordinating material readiness and high-volume loading plans during peak-season logistics (e.g., Ramadan).
- Drive international business expansion by representing the brand at major international exhibitions (Gulfood, SIAL, MIHAS) and managing the Alibaba supplier storefront.
- Coordinate vessel bookings and freight forwarding operations, managing carrier relationships to secure space and optimize transit times for global shipments.
- Monitor shipment tracking and landed cost accuracy, utilizing internal systems and Excel to ensure real-time visibility and precise logistics reporting.

Key Role Highlights

- Managed an export portfolio exceeding \$1M annually across international markets.
- Achieved a 40% reduction in logistics and procurement costs.
- Launched export operations from inception, entering 12+ global markets.
- Executed 60+ annual export shipments with full regulatory compliance.

Supply Chain Consultant | Freelance- Mar 2020 – Sept 2021

- Managed A-Z product launches for 3 Private Label brands, handling the entire lifecycle from market feasibility to sourcing from manufacturers in China.
- Scaled operations for 10+ accounts, managing virtual assistant (VA) support for Amazon FBA shipments covering 1,000+ SKUs.
- Led global logistics & LCL consolidation, coordinating forwarders to cut costs by 15% and lead times by 20%.
- Directed inventory control and 3PL audits, ensuring accurate stock levels and resolving discrepancies.
- Built SOPs & data workflows for supplier payments, landed cost models, and reporting via Google Sheets.

Digital Marketing Manager | European Graduate School of Management - Feb 2018 – Mar 2020

- Negotiated vendor contracts, reducing operational costs.
- Coordinated logistics and execution of marketing projects and events.
- Maintained tracking reports and performance data for management review.

Digital Marketing Operations Assistant | Geneva Business School - June 2016 – Feb 2018

- Achieved 20% YoY enrolment growth via digital campaigns, earning a Certificate of Appreciation for performance.

Supply Chain Management Intern | Wateen Telecom, Pakistan - Dec 2015 – Mar 2016

- Assisted in procurement, vendor evaluation, and ERP-based PO processing (Oracle).
- Supported warehouse operations and documentation.
