

Saud Al Khudhayr

PROFILE

Experienced and results-driven professional specializing in the assembly, repair, and maintenance of Baker Hughes liner hanger equipment. With a strong background in the Oil & Gas industry, I possess in-depth knowledge of equipment testing, troubleshooting, and lifecycle maintenance. Highly skilled in coordinating and managing daily workshop operations, I excel in leading cross-functional teams to ensure timely and efficient completion of Completion and Wellbore Intervention projects. Adept at managing multiple tasks simultaneously.
