

Yosra Elkamil Abd-Elgadir

INTERIOR DESIGNER

Saudi Arabia | yosraelkamil@gmail.com | +9660554639145

Objective

I am seeking an opportunity in interior design where I can contribute creative solutions and thoughtful spatial design while continuing to develop professionally within a collaborative and forward-thinking team.

Education

The Future University

Bachelor of Art and Design – Interior Design

Graduated with First Class Honors – December 2024

Relevant Coursework:

- Interior construction & Detailing
- Interior design materials
- 3D Visualization & CAD
- Professional Practice
- Lighting & Furniture design

Projects

Contemporary Residential Villa

Designed a 120 sqm residential unit based on minimalist principles. Focused on maximizing natural light, functional space planning, and using a neutral material palette to enhance simplicity and elegance

Stage Chocolate Café – Interior Redesign

Transformed the café's interior to align with a new brand identity. Focused on layout refinement, color harmony, and subtle decorative updates while preserving the structural envelope

Co-Working Space – Office Design

Designed a collaborative office space for a creative agency, balancing open work areas with private zones and integrating the brand identity into the interior style
