Jeddah, Saudi Arabia

I am a passionate fresh graduate interior designer with a strong eye for detail and a deep love for creating spaces that are both functional and inspiring. Proficient in a wide range of 2D and 3D design tools, with the ability to quickly adapt to new technologies. I believe in designing environments that enhance daily life, guided by principles of sustainability, innovation, and human-centered thinking. My goal is to create meaningful, high-quality designs that leave a positive impact on people and the world around them.

EDUCATION

Aug, 2021 – May, 2025 Bachelor of Interior Design | University of Jeddah
College of Art and Design
GPA: 4.75/5 First Class Honors

WORK EXPERIENCE

Jan, 2025 – Apr, 2025 Interior Design Intern | Khaled Hashem Elite Architecture

- Participated in the design development of residential and interior projects.
- Assisted in preparing mood boards, material selections, and concept presentations.
- Created 2D layouts and 3D visualizations using AutoCAD and SketchUp.
- Attended client meetings and contributed to design discussions.
- Supported in site visits and documented progress for project reporting.
