- Customs Regulations

SUMMARY

Dedicated senior professional with 5 years of experience in export and import logistics regulations. Seeking an opportunity to apply my skills and expertise in a role where I can enhance export and import logistics processes, contributing to the overall efficiency and effectiveness of the supply chain.

EXPERIENCE

❖ RAWABI OIL & GAS CO. • DEC 2024 – PRESENT

ALKHOBER

Logistics Specialist

- Directed end-to-end supply chain operations, ensuring the timely delivery of equipment, materials, and products for oil and gas projects.
- Negotiated supplier contracts to secure cost-effective and reliable logistics solutions.
- Coordinated multi-modal transportation (land, sea, air) to meet critical project deadlines.
- Ensured compliance with international customs regulations, export/import documentation, and safety standards.
- Implemented process enhancements to improve efficiency, reduce lead times, and optimize resource utilization.
- Maintained seamless communication with internal teams, stakeholders, and external partners to align logistics operations with business goals.
- Oversaw the calculation and accurate entry of landed costs in the Logistics Cost Management (LCM) system, maintaining financial accuracy and accountability

❖ EBRAHIM M. ALMANA & BROS. CO. • JAN 2020 – NOV 2024

2nd Industrial Dammam

Logistics Specialist

- Coordinated with suppliers to acquire essential documents for customs clearance, ensuring compliance and timely processing.
- Strategically determined the most effective transportation mode for goods, including express, land, air, or sea options, based on efficiency and cost-effectiveness.
- Managed the Saber application process when necessary, adhering to regulatory requirements.
- Conducted comprehensive market analysis through multiple requests for quotations, leading to successful negotiations and selection of the optimal forwarding company.
