PROFILE

Creative and detail-oriented interior designer with over 5 years of experience in residential, commercial, and exhibition design. Skilled in AutoCAD, SketchUp, and 3D rendering tools, with a strong ability to balance aesthetics and functionality. Excellent communication, project management, and problem-solving skills with a proven track record of delivering creative and client-focused solutions.

PROFESSIONAL EXPERIENCE

Jubilee Events, Exhibition, Gala, and Event Design

Jun 2023 – Present | Riyadh, Saudi Arabia

- **Led** direct communication with clients to identify goals and creative direction for exhibitions, ceremonies, and high-profile events.
- **Designed** unique booth setups, gala dinners, award ceremonies, and factory opening events aligned with client branding and objectives.
- **Prepared** detailed 2D/3D designs and visual presentations to support project proposals and approvals.
- **Supervised** on-site execution and installation to ensure quality, accuracy, and compliance with project requirements.
- **Solved** design and technical challenges under pressure while maintaining a high standard of visual and functional outcomes.

Project Dependent Freelancer, Freelancing

Feb 2022 – Jun 2023 | Amman, Jordan

- **Created** design solutions for residential and commercial spaces, including layout planning, color schemes, and furniture selection.
- **Collaborated** closely with clients to understand their vision and delivered tailored design concepts.
- **Managed** projects from initial concept to final installation, coordinating with suppliers and contractors to ensure timely execution.

Interior Designer Salesperson, Osool Interior

Jan 2021 – Jul 2022 | Amman, Jordan

- **Consulted** with clients to identify functional needs and design goals for various interior projects.
- **Presented** product options including kitchens, cabinetry, parquet, and decorative finishes.
- **Produced** 3D renders and conceptual sketches using multiple software tools.
- **Ensured** customer satisfaction through site visits during and after execution, resolving issues as needed.

Draftsman, Leo Design House

Jan 2019 – Nov 2020 | Amman, Jordan

- **Drafted** interior plans using AutoCAD based on client and project requirements.
- **Generated** detailed 3D visualizations and rendered presentations.
- **Conducted** site visits to take accurate measurements and track construction progress.
- **Supervised** on-site implementation with a focus on quality control, ensuring adherence to design specifications and finishing standards.

Interior Design, Addiqa Al-Alia Fireplace-industry & Trade Co.

Jan 2017 – Dec 2017 | Amman, Jordan

- **Modeled** and rendered fireplace designs in 3D based on client specifications.
- **Prepared** technical drawings and AutoCAD drafts for manufacturing and installation.

Part Time Designer, Orbit Engineering Office

Feb 2012 – May 2015 | Al-Zarqa'a, Jordan

- **Assisted** in drafting engineering documents and preparing legal transaction drawings.
- **Supported** senior engineers in producing technical documentation and project submissions.
