YAHIA MANSOUR

Working in a company that has a system and a single entity that always pushes forward under appreciation and respect, an environment full of challenges where I can benefit from my potential to advance in my career, and I have ambitious motives that push me to learn and develop. I am a responsible individual with strong communication skills, work ethic, willing to take responsibility and work independently at the same time. I can work well in a team and am looking for both personal and professional growth.

Work Experience

Executive sales representative, Technopanel Factory Company
January 2009 - June 2013

Approval of the product by government agencies and engineering offices , customer follow up and collection - opening new outlets to supply the product

Executive sales representative, Deem Aluminum Factory, Riyadh
July 2013 - November 2016

Providing price offers for contracting companies' tenders, fully following up on them and providing support, searching for new projects, coordinating with the owners and consultants to approve the factory.

sales officer, Saudi Abyat Company, Riyadh
November 2016 - June 2023

Sales officer at the exhibition - coordination with customers to raise sizes and make designs to finalize the contract - follow up with customers - prepare the required reports - work to achieve the required target and display the products

sales officer, Al-Baz Industrial Group, Siab Aluminum Factory, Riyadh
July 2021 - July 2023

Working to achieve the desired target, following up with customers, collecting, and opening new outlets to supply the product

Executive sales supervisor, Arak shadow industrial co., Riyadh
July 2023 - Present

Searching for new projects to submit price offers and samples for approval, and meeting with the owner or consultant to discuss and determine the materials used for the project for approval.
