

Sultan Alanazi Fresh Graduate Pharmacist

✉ sultanshamlani11@gmail.com ☎ 0539380111 📍 Saudi Arabia 🌐 Sultan Alshamlani

SUMMARY

Highly motivated and detail-oriented licensed pharmacist with extensive experience in clinical rotations, pharmaceutical research, and community service. Proficient in-patient care, medication management, and public health initiatives. Skilled in coordinating with multidisciplinary teams to deliver high-quality healthcare services.

EDUCATION

Doctor of Pharmacy (PharmD Program) 09/2019 – 05/2025
Faculty of Pharmacy (University of Tabuk)

INTERNSHIP

PharmD Intern 04/2025 – 05/2025 | Tabuk
Al-Dawaa Medical Services Co
During my internship, I worked closely on prescription processing, patient counseling, insurance handling, and inventory control. I developed strong communication skills and a solid grasp of community pharmacy operations, always prioritizing patient safety and service quality.

PharmD intern 03/2025 – 04/2025 | Tabuk
Tabuk Pharmaceutical Company
I trained across multiple departments including production, quality control, quality assurance, and warehousing. This experience enhanced my understanding of GMP standards and pharmaceutical manufacturing. I'm detail-oriented, fast-learning, and confident working in regulated environmen
