

Mesfer Mohammad Al Ramthi

Database management developer

Bisha, Saudi Arabia | +966 538670599 | mesfer_12345@hotmail.com

Summary

As a recent graduate with a Bachelor's degree from Bisha University in Information Technology, I am passionate about leveraging my skills to contribute effectively to database design, optimization, and maintenance. During my studies, I gained hands-on experience in SQL, data modeling, and database administration. I am detail-oriented, a quick learner, and committed to ensuring data accuracy and security. Seeking an entry-level position where I can apply my knowledge and grow within a dynamic organization.
