ABOUT ME

I am seeking an opportunity to apply the skills I have acquired and to gain new experiences in a professional environment. I aspire to be an active and productive team member, contributing to the success and development of the organisation, and playing a key role in its continuous growth and improvement.

WORK EXPERIENCE

Black Raven Café (2022 - 2023)

Supervised food service operations to ensure high-quality preparation and presentation. Interacted with customers to improve their dining experience and address their needs. Handled customer feedback to ensure satisfaction and build strong relationships. Maintained a clean and organised service area, following health and safety standards.

LeClà Pastry Café (2023-2024)

Prepared and served a variety of hot and cold beverages with high attention to quality and presentation, while delivering excellent customer service in a fast-paced environment by engaging with customers and ensuring their satisfaction.

Karez Linen (2024-2025)

Supervised daily sales operations at Karez Linen, ensuring targets were met and customers were satisfied. Managed the sales team and provided training to improve performance. Developed strategies to increase sales and build strong customer relationships.
