SUMMARY

I have a proven track record of initiating and implementing various initiatives and projects, reflecting my ability to effectively manage and execute ideas and initiatives. I have also completed a training program at the Mohammed bin Salman Foundation (Misk), which enhances my leadership and cognitive skills.

Currently, in addition to being the Deputy Director of Public Relations at a nonprofit organization. My responsibilities include managing relationships and continuously developing processes.

I am committed to contributing to the community through my leadership role and extensive experience.
